# Stephen Gale

Wave 21 Feb/1985

HEBER CITY (LRJ) Stephen Gale is the art department at Wasatch High School. He is creative and, yet, there is a great deal of his talent pointed in directions that are far from subjective. Computers, electronic visual media, math, earth science, and the yearbook give him rather straight lines to follow.

Mr. Gale is multifaceted and multi-experienced. Service in Viet Nam and Panama have shown this man much more than he would have seen if he had stayed in Boise, Caldwell or Blackfoot, places he once called home. He graduated from Orem High School and attended BYU where he also graduated. His teaching experience has been at

Wasatch where he has been active in his chosen field-art. He was even one of the founders of the Wasatch County Arts Council and has constantly encouraged art activity in the area.

The U.S. Forest Service also

relies on the talents and skills of Mr. Gale. Each summer he assumes duties in mountains and loves the out-of-doors so much that he would like to live full time in the mountains. He knows the area well and serves the community by participating in Wasatch Search and Rescue.

Mr. Gale married Madeleine Moulton and they have 4 children Adam, Matthew, Joseph and Elizabeth. He loves children and inspires all those in his care to do their best and develop leadership through responsibility.

## Marine Pvt. Blaine Welch Completes Basic Training

<sup>7 Sep 1967</sup>  
Marine Private Blaine A. Welch, son of Mr. and Mrs. William L. Welch of 75 N. Sixth E., Heber City was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot here.

He will now undergo about three weeks of individual combat training and then, after a leave at home, will report to his first Marine Corps assignment.

The intensifier Marine recruit training emphasizes rigid physical conditioning and survival techniques, both at sea and ashore, to develop self-confidence and endurance. Marksmanship with the M-14 rifle and 45-calibre pistol are equally stressed, and close order drill instills the traditions of Marine Corps teamwork.

A thorough study of basic military subjects; hygiene; first aid and sanitation; and the customs, courtesie, history and mission of the Marine Corps serve to polish the new Marine's recruit education and prepare him to join Marine combat forces.
